

## THE COMING APOSTASY

Text: 2 Tim 3:1-9

*“This know also, that in the last days perilous times shall come. <sup>2</sup> For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, ...<sup>7</sup> Ever learning, and never able to come to the knowledge of the truth.”*

Early in the creation of mankind, God notes His spirit shall not always strive with man for man's thoughts are evil continually (Genesis 6:3-5). God knew man's heart just after his formation. True to His word, mankind has not changed. The anchor scripture underscores mankind's action (although written thousands of years later).

Paul's epistle to his young convert Timothy volleys a warning directed towards Christians and not the world. For the world is already lost. This is clear as Jesus notes in his last plea to His Father on the behalf of His disciples (John 17:3-26) to watch after them (not the world) while he was away.

Christians, then, should be on alert for wicked people of this world who meet Paul's edict. Although he never calls it the apostasy (the abandonment or renunciation of a religious or political belief), the concept is very clear throughout his message. Scripture reveals apostasy in [Acts 21:21](#) and [2 Thessalonians 2:3](#).

In this passage, God states the problem, its effects, a case study, and the remedy to avoid or rise out of a terrible situation. To underscore his point, Paul states God's handiwork in the message: *“16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: 17 That the man of God may be perfect, thoroughly furnished unto all good works.”*

Paul uses these two magicians to make a point. Evil people exist today as they did in old times.

Of course, the Bible is full of remedies to aid in Christians seeking help. [Jeremiah 8:22](#) notes “Is there no balm in Gilead? Is there no physician there”? God places His preachers where those who seek truth can be found. As Phillip was called into action to quench the Ethiopian's thirst for scripture (ultimately leading to his baptism in Christ - [Acts 8:27](#)), so are God's agents ready to bound in to help those seeking a closer walk with God for safety, protection, and ultimately everlasting life. God's providential care are set for those “*Wisemen who still seek Him*” ([Matthew 2:1-12](#)).
